Executive Claims Settlement Agreement

EXECUTIVE CLAIMS SETTLEMENT AGREEMENT

This **EXECUTIVE CLAIMS SETTLEMENT AGREEMENT** (including all exhibits attached hereto, and as may be amended, supplemented or modified in accordance with the terms hereof, this “**Agreement**”) is entered into as of December 13, 2016 and effective as of the Effective Date (as defined below), by and among, STONE ENERGY CORPORATION, a Delaware corporation, with its principal office located at 625 East Kaliste Saloom Road, Lafayette, Louisiana 70508 (the “**Company**”) and David Welch, Kenneth Beer, Lisa Jaubert, John Leonard, Eldon J. Louviere, Keith Seilhan, Richard Toothman, Thomas Messonnier, and Florence Ziegler (each, a “**Senior Executive**” and, collectively, the “**Senior Executives**” and together with the Company, each a “**Party**” and, collectively, the “**Parties**”).

RECITALS

A. The Company intends to file pre-packaged cases (the “**Chapter 11 Cases**”) under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “**Bankruptcy Code**”) with the United States Bankruptcy Court for the Southern District of Texas (the “**Bankruptcy Court**”);

B. The pre-packaged plan of reorganization to be filed on the first day (the “**Petition Date**”) of the Chapter 11 Cases (the “**Plan**”) provides for payment in full of all general unsecured claims;

C. Each of the Senior Executives (other than Messrs. Welch) is a participant in either the Stone Energy Corporation Executive Change of Control and Severance Plan or the Stone Energy Corporation Executive Change in Control Severance Policy (collectively, the “**CIC/Severance Plan**”);

D. Each of the Senior Executives is a participant in the Stone Energy Corporation 2016 Performance Incentive Compensation Plan (the “**Performance Bonus Plan**”);

E. Certain of the Senior Executives are participants in the Stone Energy Corporation Non-Qualified Deferred Compensation Plan (the “**Non-Qualified Plan**”);

F. The Company is party to the following employment agreements with certain of the Senior Executives: (a) Letter Agreement dated December 2, 2008 between Stone Energy Corporation and David H. Welch; and (b) Letter Agreement dated August 10, 2016 by and between Stone Energy Corporation and Richard L. Toothman, Jr. (collectively, the “**Employment Agreements**”);

G. The Company is a party to that certain Letter Agreement dated May 19, 2005 between Stone Energy Corporation and Kenneth H. Beer (the “**Beer Agreement**”);

H. Among other things, the Plan may result in a change of control of the Company, which, absent entry into this Agreement, could result in enhanced benefits to the Senior Executives under the CIC/Severance Plan or the Beer Agreement, as applicable;

I. As part of the negotiations of the Plan, the Company’s major creditor constituencies required the Company to modify the CIC/Severance Plan, the Performance Bonus Plan, the Non-Qualified Plan, the Employment Agreements, and the Beer Agreement to reduce the potential claims of the Senior Executives thereunder;

J. The Company and the Senior Executives believe that confirmation of the Plan,

which would enable the Company to continue operating as a going concern, is in the best interests of the Company and the Senior Executives;

K. Accordingly, after negotiations between the Company and the Senior Executives, and with the support of holders of approximately 85.4% of the outstanding principal amount of the Company's unsecured notes (the "Consenting Noteholders"), the Company and the Senior Executives have agreed to modify the CIC/Severance Plan, the Performance Bonus Plan, the Non-Qualified Plan, the Employment Agreements, and the Beer Agreement on the terms and subject to the conditions set forth herein;

L. Pursuant to the terms and subject to the conditions set forth herein, the Company and the Senior Executives desire to terminate the CIC/Severance Plan and the Beer Agreement and, as a replacement therefor, adopt the Stone Energy Corporation Executive Severance Plan (the "Executive Severance Plan"), a copy of which is attached hereto as Exhibit A, in which the Senior Executives will be allowed to participate, subject to the terms of the Executive Severance Plan;

M. Pursuant to the terms and subject to the conditions set forth herein, the Company and Messrs. Welch and Toothman desire to amend their Employment Agreements in the form of the amendments attached hereto as Exhibit B (collectively, the "Employment Agreement Amendments"), pursuant to which Messrs. Welch and Toothman will waive any rights to severance under their Employment Agreements in exchange for participation in the Executive Severance Plan;

N. By terminating the CIC/Severance Plan and the Beer Agreement, entering into the Employment Agreement Amendments, and adopting the Executive Severance Plan, the potential aggregate claims the Senior Executives could assert will be reduced from \$21,043,620 to \$4,553,000;

O. Pursuant to the terms and subject to the conditions set forth herein, the Company desires that the Senior Executives waive their claims related to the Performance Bonus Plan, and in exchange therefor, adopt the Stone Energy Corporation Key Executive Incentive Plan (the "KEIP"), a copy of which is attached hereto as Exhibit C, in which the Senior Executives shall be allowed to participate, subject to the terms of the KEIP;

P. Pursuant to the KEIP, the aggregate incentive bonus claims of the Senior Executives for the fourth quarter of 2016 would be reduced from a maximum level of \$3,012,638 (the "Fourth Quarter Bonus Opportunity") to \$0 and any future bonus payments to the Senior Executives under the KEIP would be limited to \$2,008,425, which is equal to the target bonus for the Senior Executives under the Performance Bonus Plan for the fourth quarter of 2016;

Q. Pursuant to the terms and subject to the conditions set forth herein, the Company desires to effectuate the assumption of the Non-Qualified Plan (as amended), a copy of which is attached hereto as Exhibit D, in the Chapter 11 Cases; and

R. Pursuant to the terms and subject to the conditions set forth herein, the Company desires to effectuate the assumption of the Employment Agreements, as amended by the Employment Agreement Amendments.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged and agreed, each of the Parties agrees as follows:

1. **Definitions.** The following term shall have the following meaning in this Agreement:

“**Claims**” shall mean any and all claims, causes of action, liabilities, obligations, rights, demands, remedies, suits, debts, setoffs, recoupments, counterclaims, judgments, and damages of any kind whatsoever, whether direct or derivative, matured or unmatured, disputed or undisputed, known or unknown, liquidated or unliquidated, foreseen or unforeseen, discoverable or undiscoverable, fixed or contingent, arising in law, equity, or otherwise.

2. **Termination of CIC/Severance Plan and Beer Agreement; Waiver of Claims.**

a. **Termination of CIC/Severance Plan.** The CIC/Severance Plan shall be irrevocably terminated as of the Effective Date, notwithstanding anything to the contrary therein, and the Senior Executives’ rights under the CIC/Severance Plan shall cease as of the Effective Date, including any rights to receive benefits from the Company in connection with any “change of control,” as defined in, and pursuant to the terms of, the CIC/Severance Plan.

b. **Termination of Beer Agreement.** The Beer Agreement shall be irrevocably terminated as of the Effective Date, notwithstanding anything to the contrary therein, and Messr. Beer’s rights under the Beer Agreement shall cease as of the Effective Date.

c. **Waiver of Claims Under CIC/Severance Plan.** As of the Effective Date, each Senior Executive (other than Messr. Welch), on behalf of his/herself and his/her successors, heirs, and assigns, hereby irrevocably, unconditionally and without reservation of any kind, waives, generally releases and forever discharges, and covenants not to sue, the Company, and each of its subsidiaries, affiliates, partners, lenders, predecessors, successors and assigns, together with each of their respective current and former agents, officers, directors, members, managers, owners, representatives, partners, employees, attorneys and advisors (in each case, solely in their capacity as such), from and against any and all Claims, arising under, out of, related to, or which could have been asserted in connection with, the CIC/Severance Plan and the performance of obligations thereunder, including, without limitation, all amounts and benefits that could be paid under the CIC/Severance Plan and any amounts owed prior to the Effective Date; *provided, however*, that nothing in this paragraph shall release any rights or obligations expressly arising under this Agreement or otherwise limit the enforcement of this Agreement.

d. **Waiver of Claims Under Beer Agreement.** As of the Effective Date, Messr. Beer, on behalf of himself and his successors, heirs, and assigns, hereby irrevocably, unconditionally and without reservation of any kind, waives, generally releases and forever discharges, and covenants not to sue, the Company, and each of its subsidiaries, affiliates, partners, lenders, predecessors, successors and assigns, together with each of their respective current and former agents, officers, directors, members, managers, owners, representatives, partners, employees, attorneys and advisors (in each case, solely in their capacity as such), from and against any and all Claims, arising under, out of, related to, or which could have been asserted in connection with, the Beer Agreement and the performance of obligations thereunder, including, without limitation, all amounts and benefits that could be paid under the Beer Agreement and any amounts owed prior to the Effective Date; *provided, however*, that nothing in this paragraph shall release any rights or obligations expressly arising under this Agreement or otherwise limit the enforcement of this Agreement.

3. **Entry into Employment Agreement Amendments; Waiver of Severance Under Employment Agreements.**

a. **Entry into Employment Agreement Amendments.** As of the Effective Date, the Company and Messrs. Welch and Toothman agree to enter into their respective Employment Agreement Amendments.

b. Waiver of Severance Under Employment Agreement. As of the Effective Date, Messrs. Welch on behalf of himself and his successors, heirs, and assigns, hereby irrevocably, unconditionally and without reservation of any kind, waives, generally releases and forever discharges, and covenants not to sue, the Company, and each of its subsidiaries, affiliates, partners, lenders, predecessors, successors and assigns, together with each of their respective current and former agents, officers, directors, members, managers, owners, representatives, partners, employees, attorneys and advisors (in each case, solely in their capacity as such), from and against any and all Claims, arising under, out of, related to, or which could have been asserted in connection with, the payment of severance under his Employment Agreement, including, without limitation, all amounts and benefits that could be paid as severance under such Employment Agreement and any amounts owed prior to the Effective Date; *provided, however*, that nothing in this paragraph shall release any rights or obligations expressly arising under this Agreement or otherwise limit the enforcement of this Agreement.

4. **Adoption of Executive Severance Plan and New Plan Following Emergence.**

a. Contemporaneous with the termination of the CIC/Severance Plan and the Beer Agreement and entry into the Employment Agreement Amendments, and in lieu of severance payable thereunder, the Company shall adopt and implement the Executive Severance Plan, and the Senior Executives shall become participants under the Executive Severance Plan, with all rights, benefits, and entitlements provided thereunder, all in accordance with the terms and conditions set forth in the Executive Severance Plan.

b. Following the effective date of a plan of reorganization in the Chapter 11 Cases (the “**Emergence Date**”), the board of directors of the reorganized Company (the “**New Board**”) shall retain a compensation consultant to advise on a new change in control severance plan for the Senior Executives (the “**New Severance Plan**”), following input from the Senior Executives, to be adopted by the New Board no later than one hundred and eighty (180) days following the Emergence Date. Failure to adopt a New Severance Plan shall not be a breach of this Agreement, but shall constitute “Good Reason” as defined in the Executive Severance Plan for participants other than Messrs. Welch, Beer, and Toothman.

5. **Waiver of Claims Under Performance Bonus Plan; Adoption of KEIP.**

a. Waiver of Claims Under Performance Bonus Plan. Except as provided in this Agreement, as of the Effective Date, each Senior Executive, on behalf of his/herself and his/her successors, heirs, and assigns, hereby irrevocably, unconditionally and without reservation of any kind, waives, generally releases and forever discharges, and covenants not to sue, the Company, and each of its subsidiaries, affiliates, partners, lenders, predecessors, successors and assigns, together with each of their respective current and former agents, officers, directors, members, managers, owners, representatives, partners, employees, attorneys and advisors (in each case, solely in their capacity as such), from and against any and all Claims, arising under, out of, related to, or which could have been asserted in connection with, the Performance Bonus Plan and the performance of obligations thereunder, including, without limitation, the Fourth Quarter Bonus Opportunity and any other amounts owed prior to the Effective Date; *provided, however*, that nothing in this paragraph shall release any rights or obligations expressly arising under this Agreement or otherwise limit the enforcement of this Agreement.

b. Adoption of KEIP. In exchange for the Senior Executives’ waiver of Claims under the Performance Bonus Plan, the Company shall adopt and implement the KEIP, and the Senior Executives shall become participants under the KEIP, with all rights, benefits, and entitlements provided thereunder, including the right to receive incentives in an aggregate amount that shall not exceed \$2,008,425, all in accordance with the terms and conditions set forth in the KEIP.

c. As soon as commercially practicable after the Emergence Date, the New Board shall develop and adopt with the assistance of a compensation consultant, and in consultation with the Senior Executives, a market-based incentive compensation plan.

6. **Acknowledgements.** Each of the Parties represents, warrants, acknowledges and agrees that:

a. this Agreement has been negotiated and effectuated in good faith, for fair, good and reasonably equivalent valuable consideration and for legitimate business purposes; and

b. the execution and delivery of this Agreement and performance of obligations hereunder will not result in a violation or default under any instrument, contract, agreement or other document to which it is a party.

7. **Effectiveness.** The Company hereby agrees that it will use its best efforts to file a motion reasonably satisfactory to the Senior Executives in the Chapter 11 Cases, no later than three (3) days following the Petition Date, seeking: (i) approval of this Agreement under Rule 9019 of the Federal Rules of Bankruptcy Procedure and (ii) assumption of the Non-Qualified Plan and the Employment Agreements (as amended by the Employment Agreement Amendments) pursuant to Section 365 of the Bankruptcy Code (the "**Approval Motion**"). This Agreement shall become enforceable and effective (the "**Effective Date**") upon entry of a final non-appealable order by the Bankruptcy Court approving the Approval Motion that is reasonably satisfactory to the Senior Executives and acceptable to the Consenting Noteholders.

8. **Representations and Warranties.** Each Party represents, warrants, and covenants to each other Party that:

a. it has the full power and authority to execute and deliver this Agreement, and this Agreement will constitute a valid and binding obligation of the Party, enforceable against each other Party in accordance with its terms;

g. it has not relied upon any representation, either oral or written, made by any other Party in executing this Agreement, other than those specifically set forth herein, and further represents that there have been no representations or inducements of any type or character made by any Party other than those specifically set forth in writing herein.

9. **Headings.** The division of this Agreement into articles, sections, paragraphs and other subdivisions and the insertion of headings are for convenience of reference only and shall not affect the construction or interpretation hereof.

12. **Entire Agreement.** This Agreement sets forth the entire agreement between the Parties as it relates to the subject matter hereof, and replaces and supersedes any and all prior agreements, promises, proposals, representations, understandings and negotiations, written or not, relating to the same.

In the event that any part of this Agreement is declared by any court or other judicial or administrative body to be null, void or unenforceable, said provision shall survive to the extent it is not so declared, and all of the other provisions of this Agreement shall remain in full force and effect only if, after excluding the portion deemed to be unenforceable, the remaining terms provide for the consummation of the transactions contemplated hereby in substantially the same manner as originally set forth at the later of the date this Agreement was executed or last amended.

15. **Mutual Drafting.** This Agreement is the result of the Parties' joint efforts, and each of them and their respective counsel have reviewed this Agreement and each provision hereof

has been subject to the mutual consultation, negotiation, and agreement of the Parties, and the language used in this Agreement shall be deemed to be the language chosen by the Parties to express their mutual intent, and therefore there shall be no construction against either Party based on any presumption of that Party's involvement in the drafting thereof.

16. **Amendment and Modification.** Neither this Agreement nor any terms hereof may be amended, changed, waived, discharged, or terminated unless such amendment, change, waiver, discharge or termination is in a writing signed by the Company and each other Party affected by such amendment, change, waiver, discharge or termination.

Stone Energy Corporation Executive Severance Plan

**STONE ENERGY CORPORATION
EXECUTIVE SEVERANCE PLAN**

The **STONE ENERGY CORPORATION EXECUTIVE SEVERANCE PLAN** (the “Plan”) is hereby adopted, pursuant to the authorization of the Board of Directors of STONE ENERGY CORPORATION (the “Company”). The Plan has been established to provide financial security to the Company's Executives (as defined below) upon certain terminations of employment with the Company. This Plan replaces in full and supersedes the Executive Change in Control and Severance Plan that was maintained for certain of the Company's executives.

**I.
DEFINITIONS AND CONSTRUCTION**

1.1 Definitions. Where the following words and phrases appear in the Plan, they shall have the respective meanings set forth below, unless their context clearly indicates to the contrary.

“**Annual Pay**” shall mean the annual rate of base compensation of an Executive in effect immediately prior to his termination of employment.

“**Board**” shall mean the Board of Directors of the Company or its successor.

“**Cause**” shall mean any termination of an Executive's employment by reason of the Executive's: (i) willful and continued failure to perform substantially the Executive's duties (other than any such failure resulting from the Executive's incapacity due to physical or mental illness) after written notice of such failure has been given to the Executive specifying in detail such failure or (ii) the willful engaging by the Executive in conduct that is demonstrably and materially injurious to the Company and its affiliates taken as a whole, monetarily or otherwise. For purposes of clauses (i) and (ii) of this definition, no act or failure to act, on behalf of the Executive's part shall be deemed “willful” unless done, or omitted to be done, by the Executive not in good faith and without reasonable belief that the Executive's act, or failure to act, was in the best interests of the Company.

“**Code**” shall mean the Internal Revenue Code of 1986, as amended.

“**Committee**” shall mean the Compensation Committee of the Board, or, if no Compensation Committee exists, the Board. The Committee may delegate all or part of its authority as it may choose to the Vice President of Human Resources of the Company.

“**Effective Date**” shall mean the effective date of a plan of reorganization of the Company and its subsidiaries filed under chapter 11 of title 11 of the United States Code, 11 U.S. C. §§101-1532 (the “**Cases**”).

“**Employer**” shall mean the Company and each eligible entity designated as an Employer in accordance with the provisions of Section 4.4 of the Plan.

“**ERISA**” shall mean the Employee Retirement Income Security Act of 1974, as amended.

“**Executive**” shall mean any individual whose name is set forth on Schedule 1 hereto.

“Good Reason” for termination by the Executive of the Executive's employment shall mean the occurrence (without the Executive's express written consent), but only following the Effective Date, of any one of the following acts by the Company:

(A) a material reduction in the Executive's annual base salary except for across-the-board salary reductions similarly affecting all senior executives of the Company and all senior executives of any person in control of the Company;

(B) a material diminution in the authority, duties or responsibilities of the Executive; provided that a change resulting from the Company's no longer being a public company shall not be a basis for a Good Reason termination;

(C) a requirement that the Executive transfer to a work location that is more than fifty (50) miles from such Executive's principal work location that materially increases Executive's commute; or

(D) with respect to the Executive's indicated on Schedule 1 failure of the Company to adopt a new severance plan replacing this Plan within 180 days of the Effective Date.

The Executive's right to terminate the Executive's employment for Good Reason shall not be affected by the Executive's incapacity due to physical or mental illness. Subject to the provisions of Involuntary Termination below, the Executive's continued employment shall not constitute consent to, or a waiver of rights with respect to, any act or failure to act constituting Good Reason hereunder.

“Health Benefit Coverages” shall mean coverage under each group health plan sponsored or contributed to by the Employer for its similarly situated active employees.

“Involuntary Termination” shall mean (i) any termination of the Executive's employment by the Employer other than for Cause and (ii) any termination of the Executive's employment by the Executive for Good Reason. In order for a termination by the Executive to be for Good Reason, the Executive must first give written notice to the Company in writing of the Good Reason event within 30 days of the initial existence of the Good Reason event, and other than for the event under paragraph (D) of the definition of Good Reason, the Company shall then have 30 days from its receipt of such notice to remedy the event and if the Company fails to timely remedy the event, the Executive may terminate his employment for Good Reason in the seven day period following the Company's failure to remedy the event. Such Involuntary Termination by the Executive for Good Reason shall be effective only if the initial existence of the Good Reason event occurred following the Effective Date.

“Release” shall mean a general release, substantially in the form attached hereto, from the Executive that releases the Company and its affiliates from employment related claims.

1.2 Number and Gender. Wherever appropriate herein, words used in the singular shall be considered to include the plural and the plural to include the singular. The masculine gender, where appearing in the Plan, shall be deemed to include the feminine gender.

1.3 Headings. The headings of Articles and Sections herein are included solely for convenience and if there is any conflict between such headings and the text of the Plan, the text will control.

II.

SEVERANCE BENEFITS

2.1 Severance Payments. Subject to the provisions of Sections 2.2, 2.4, 2.5, and 4.5 hereof, if an Executive incurs an Involuntary Termination, then on the date upon which his Release becomes irrevocable, the Executive shall receive the following severance benefits:

A. a lump sum cash severance payment equal to the amount set forth for Executive on Schedule 1 hereto;

B. the continuation of the Health Benefit Coverages for himself and, where applicable, his eligible dependents for a period of six months following the date of Involuntary Termination, at a cost to the Executive that is equal to the cost for an active employee for similar coverage. The Executive may choose to continue some or all of such Health Benefit Coverages.

C. accelerated vesting on the next tranche of any unvested, time-based equity award held by an Executive that would otherwise have vested but for the Involuntary Termination.

If at any time on or after an Executive's Involuntary Termination any health benefit plan in which he has elected to continue his coverage either is terminated or ceases to provide coverage to him or his covered beneficiaries for any reason, including, without limitation, by its terms or the terms of an insurance contract providing the benefits of such plan or, with respect to a group health plan, such plan no longer being subject to the Consolidated Omnibus Reconciliation Act of 1985 ("COBRA"), then Health Benefit Coverages shall mean an economically equivalent cash payment for coverage equivalent to the coverage that is provided (or if the plan has been terminated, that would have been provided but for such termination) for similarly situated active employees, plus, where applicable, a gross-up payment to the Executive to reflect the loss of tax benefits associated with his "lost" employer-provided health plan coverage benefit(s). With respect to the obligation of the Company to provide continued health plan coverage hereunder, the Company shall take all actions necessary such that the coverage is provided in a manner that satisfies the requirements of Sections 105 and 106 of the Code such that the health benefits received are not includible in the individual's taxable income. The subsidized COBRA Health Benefit Coverage(s) provided hereunder shall immediately end upon the Executive's obtainment of new employment and eligibility for health benefit plan coverage(s) similar to that being continued (with the Executive being obligated hereunder to promptly report such eligibility to the Employer);

D. the Executive will be eligible to receive outplacement services, the duration and costs for which shall be determined by the then prevailing practice of the Company's Human Resources Department concerning outplacement services, but such services shall be reasonable and commensurate with the Executive's position and in no event shall such benefits exceed a cost to the Company of five percent of the Annual Pay of the Executive; and

E. without regard to the Release requirement, a lump sum amount, within 30 days of such termination, equal to the earned, but unpaid, portion of the Executive's Annual Pay as of the date of his Involuntary Termination.

2.2 Release and Full Settlement. Notwithstanding anything to the contrary herein, as a condition to the receipt of any severance payments or benefits under Section 2.1 (A) through (D)

above, an Executive whose employment has been subject to an Involuntary Termination must, within 45 days of his Involuntary Termination, execute a Release which must become irrevocable in accordance with its terms, in substantially the form attached hereto as Attachment A, releasing the Committee, the Plan fiduciaries, the Employer, and the Employer's parent corporation, subsidiaries, affiliates, shareholders, partners, officers, directors, employees and agents from any and all claims and from any and all causes of action of any kind or character including, but not limited to, all claims or causes of action arising out of such Executive's employment with the Employer or the termination of such employment, but excluding all claims to benefits and payments the Executive may have under any compensation or benefit plan, program or arrangement, including the Plan. The performance of the Employer's obligations hereunder and the receipt of any benefits provided hereunder by such Executive shall constitute full settlement of all such claims and causes of action.

2.3 No Mitigation. An Executive shall not be required to mitigate the amount of any payment or benefit provided for in this Article II by seeking other employment or otherwise, nor shall the amount of any payment or benefit provided for in this Article II be reduced by any compensation or benefit earned by the Executive as the result of employment by another employer or by retirement benefits, except as provided in Section 2.1(B) with respect to Health Benefit Coverage and in Section 2.4 with respect to the coordination of severance benefits hereunder with other agreements providing severance benefits. Subject to the foregoing, the benefits under the Plan are in addition to any other benefits to which an Executive is otherwise entitled.

2.4 Coordination with Other Arrangements. Any Executive who is a party to an individual employment or severance agreement or covered by another similar severance plan ("Other Plan") of the Employer and who becomes eligible for severance payments and benefits as provided in Section 2.1 of the Plan, shall receive such severance payments and benefits as provided under Section 2.1 of the Plan, but such payments and benefits shall be "offset" or reduced by any severance payments or benefits provided to such Executive under any such Other Plan.

2.5 Parachute Taxes. Notwithstanding anything to the contrary herein, in the event any payment, distribution or provision of a benefit to an Executive pursuant to the terms of the Plan, when aggregated with any other payment, distribution or provision of a benefit to or on behalf of such Executive outside of the Plan, would be subject to the excise tax imposed by Section 4999 of the Code, or any interest or penalties with respect to such excise tax (such excise tax, together with any such interest or penalties, are hereinafter collectively referred to as the "Excise Tax"), the Company shall reduce the payments and/or benefits to such Executive in whole or in part so that no part of the payments or benefits received under the Plan by such Executive will be subject to the Excise Tax; provided, however, that such reduction(s) shall be made only if by reason of such reduction(s) the Executive's net after-tax benefit (as determined in good faith by the Company), after all such reduction(s), will exceed the Executive's net after-tax benefit if such reduction(s) were not made. The reduction of the total payments, if applicable, pursuant to the preceding sentence, shall be made by reducing payments (including reducing a payment to zero) payable in the order in which such payments would be made (beginning with such payment that would be made first in time and continuing, to the extent necessary, through to such payment that would be made last in time). The determination as to whether any such reduction in the amount of the payments and benefits provided hereunder is necessary shall be made by the Company in good faith. Nothing in this Section 2.5 shall require the Company to be responsible for, or have any liability or obligation with respect to, Executive's excise tax liabilities under Section 4999 of the Code.

III. **ADMINISTRATION OF PLAN**

3.1 Committee's Powers and Duties. The Company shall be the named fiduciary and shall have full power to administer the Plan in all of its details, subject to applicable requirements of law. The duties of the Company shall be performed by the Committee. It shall be a principal duty of the Committee to see that the Plan is carried out, in accordance with its terms, for the exclusive benefit of persons entitled to participate in the Plan. For this purpose, the Committee's powers shall include, but not be limited to, the following authority, in addition to all other powers provided by the Plan:

A. to make and enforce such rules and regulations as it deems necessary or proper for the efficient administration of the Plan;

B. to interpret the Plan and all facts with respect to a claim for payment or benefits, its interpretation thereof to be final and conclusive on all persons claiming payment or benefits under the Plan;

C. to decide all questions concerning the Plan and the eligibility of any person to participate in the Plan;

D. to make a determination as to the right of any person to a payment or benefit under the Plan (including, without limitation, to determine whether and when there has been a termination of an Executive's employment and the cause of such termination and the amount of such payment or benefit);

E. to appoint such agents, counsel, accountants, consultants, claims administrator and other persons as may be required to assist in administering the Plan;

F. to allocate and delegate its responsibilities under the Plan and to designate other persons to carry out any of its responsibilities under the Plan, any such allocation, delegation or designation to be in writing;

G. to sue or cause suit to be brought in the name of the Plan; and

H. to obtain from the Employer and from Executives such information as is necessary for the proper administration of the Plan.

3.2 Member's Own Participation. No member of the Committee may act or vote in a decision of the Committee specifically relating to himself as a participant in the Plan.

3.3 Indemnification. The Employer shall indemnify and hold harmless each member of the Committee against any and all expenses and liabilities arising out of his administrative functions or fiduciary responsibilities, including any expenses and liabilities that are caused by or result from an act or omission constituting the negligence of such member in the performance of such functions or responsibilities, but excluding expenses and liabilities that are caused by or result from such member's own gross negligence or willful misconduct. Expenses against which such member shall be indemnified hereunder shall include, without limitation, the amounts of any settlement or judgment, costs, counsel fees, and related charges reasonably incurred in connection with a claim asserted or a proceeding brought or settlement thereof.

3.4 Compensation, Bond and Expenses. The members of the Committee shall not receive compensation with respect to their services for the Committee. To the extent required by applicable law, but not otherwise, Committee members shall furnish bond or security for the performance of their duties hereunder. Any expenses properly incurred by the Committee incident to the administration, termination or protection of the Plan, including the cost of furnishing bond, shall be paid by the Company.

3.5 Claims Procedure. Any Executive that the Committee determines is entitled to a benefit under the Plan is not required to file a claim for benefits. Any Executive who is not paid a benefit and who believes that he is entitled to a benefit or who has been paid a benefit and who believes that he is entitled to a greater benefit may file a claim for benefits under the Plan in writing with the Committee. In any case in which a claim for Plan benefits by an Executive is denied or modified, the Committee shall furnish written notice to the claimant within 90 days after receipt of such claim for Plan benefits (or within 180 days if additional information requested by the Committee necessitates an extension of the 90-day period and the claimant is informed of such extension in writing within the original 90-day period), which notice shall:

- A. state the specific reason or reasons for the denial or modification;
- B. provide specific reference to pertinent Plan provisions on which the denial or modification is based;
- C. provide a description of any additional material or information necessary for the Executive or his representative to perfect the claim, and an explanation of why such material or information is necessary; and
- D. explain the Plan's claim review procedure as contained herein and describe the Executive's right to bring an action under Section 502(a) of ERISA following a denial or modification on review.

In the event a claim for Plan benefits is denied or modified, if the Executive or his representative desires to have such denial or modification reviewed, he must, within 60 days following receipt of the notice of such denial or modification, submit a written request for review by the Committee of its initial decision. In connection with such request, the Executive or his representative may review any pertinent documents upon which such denial or modification was based and may submit issues and comments in writing. Within 60 days following such request for review the Committee shall, after providing a full and fair review, render its final decision in writing to the Executive and his representative, if any, stating specific reasons for such decision and making specific references to pertinent Plan provisions upon which the decision is based. If special circumstances require an extension of such 60-day period, the Committee's decision shall be rendered as soon as possible, but not later than 120 days after receipt of the request for review. If an extension of time for review is required, written notice of the extension shall be furnished to the Executive and his representative, if any, prior to the commencement of the extension period. The Committee shall give written notice of its decision on review to the Executive. In the event a claim for Plan benefits is denied or modified on review, such notice shall set forth the specific reasons for such denial or modification and provide specific references to the Plan provisions on which the denial or modification is based. The notice shall also provide that the Executive is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Executive's claim for benefits,

including (i) documents, records or other information relied upon for the benefit determination, (ii) documents, records or other information submitted, considered or generated without regard to whether such documents, records or other information were relied upon in making the benefit determination, and (iii) documents, records or other information that demonstrates compliance with the standard claims procedure. The notice shall also contain a statement describing the Executive's right to bring an action under Section 502(a) of ERISA. Any legal action with respect to a claim for Plan benefits must be filed no later than one year after the later of (1) the date the claim is denied by the Committee or (2) if a review of such denial is requested pursuant to the provisions above, the date of the final decision by the Committee with respect to such request.

IV. GENERAL PROVISIONS

4.1 Funding. The benefits provided herein shall be unfunded and shall be provided from the Employer's general assets.

4.2 Cost of Plan. Except as provided in Section 2.1(B), the entire cost of the Plan shall be borne by the Employer and no contributions shall be required of the Executives.

4.3 Plan Year. The Plan shall operate on a calendar year basis.

4.4 Other Participating Employers. The Committee may designate any entity eligible by law to participate in the Plan as an Employer by written instrument delivered to the Secretary of the Company and the designated Employer. Such written instrument shall specify the effective date of such designated participation, may incorporate specific provisions relating to the operation of the Plan which apply to the designated Employer only and shall become, as to such designated Employer and its employees, a part of the Plan. Each designated Employer shall be conclusively presumed to have consented to its designation and to have agreed to be bound by the terms of the Plan and any and all amendments thereto upon its submission of information to the Committee required by the terms of or with respect to the Plan; provided, however, that the terms of the Plan may be modified so as to increase the obligations of an Employer only with the consent of such Employer, which consent shall be conclusively presumed to have been given by such Employer upon its submission of any information to the Committee required by the terms of or with respect to the Plan.

4.5 Amendment and Termination.

A. The Plan may be terminated or amended from time to time at the discretion of the Board; provided, however, that, subject to the provisions of Section 4.5(B), the Plan may not be amended or terminated to adversely affect the benefits (contingent or otherwise) of any Executive then covered under the Plan without such Executive's consent prior to the adoption of a replacement plan, with terms and conditions as determined by the Board or Committee, following the Effective Date. The Employer's obligation to make all payments and provide benefits that have become payable as a result of an Involuntary Termination occurring during the existence of the Plan shall survive any termination of the Plan.

B. The provisions set forth in Section 4.5(A) that otherwise restrict amendments to the Plan shall not apply to (i) an amendment to the administrative provisions of the Plan that is required pursuant to applicable law, (ii) an amendment that increases the benefits

payable under the Plan or otherwise constitutes a bona fide improvement of an Executive's rights under the Plan or (iii) an amendment which decreases the benefits of an Executive that is consented to in writing by such Executive.

4.6 Not Contract of Employment. The adoption and maintenance of the Plan shall not be deemed to be a contract of employment between the Employer and any person or to be consideration for the employment of any person. Nothing herein contained shall be deemed to give any person the right to be retained in the employ of the Employer or to restrict the right of the Employer to discharge any person at any time nor shall the Plan be deemed to give the Employer the right to require any person to remain in the employ of the Employer or to restrict any person's right to terminate his employment at any time.

4.7 Severability. Any provision in the Plan that is prohibited or unenforceable in any jurisdiction by reason of applicable law shall, as to such jurisdiction, be ineffective only to the extent of such prohibition or unenforceability without invalidating or affecting the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

4.8 Nonalienation. Executives shall not have any right to pledge, hypothecate, anticipate or assign benefits or rights under the Plan, except by will or the laws of descent and distribution.

4.9 Effect of Plan. The Plan is intended to supersede all prior oral or written policies of the Employer and all prior oral or written communications to Executives with respect to the subject matter hereof, and all such prior policies or communications (including, without limitation, the Executive Change in Control and Severance Plan superseded by this Plan and also the previously superseded Executive Change in Control Severance Policy) are hereby null and void and of no further force and effect. Further, the Plan shall be binding upon the Employer and any successor of the Employer, by merger or otherwise, and shall inure to the benefit of and be enforceable by the Employer's Executives.

4.10 Taxes. The Employer or its successor may withhold from any amounts payable to an Executive under the Plan such federal, state or local taxes as shall be required to be withheld pursuant to any applicable law or regulation.

4.11 Governing Law. The Plan shall be interpreted and construed in accordance with the laws of the State of Louisiana without regard to conflict of laws principles, except to the extent pre-empted by federal law.

4.12 Section 409A. Notwithstanding any provision of the Plan to the contrary, if on the date of the Executive's separation from service the Executive is a "specified employee," as defined in Section 409A of the Code, then all or such portion of any severance payments, benefits, or reimbursements under the Plan that would be subject to the additional tax provided by Section 409A(a)(1)(B) of the Code if not delayed as required by Section 409A(a)(2)(B)(i) of the Code shall be delayed until the date that is six months after the date of the Executive's separation from service date (or, if earlier, the Executive's date of death) and shall be paid as a lump sum (without interest) on such date. No payment shall be made under the Plan prior to the date the Executive incurs a "separation from service," within the meaning of Section 409A of the Code and the regulations thereunder.

4.13 Effective Date. This Plan will be effective as of December 13, 2016, subject to approval of the bankruptcy court in the Cases. Should the bankruptcy court not approve this Plan, then this Plan shall not be effective and the terms of the Executive Change in Control and Severance Plan shall be reinstated.

{}

Payment of the Severance will be made in one lump sum in accordance with the Company's regular payroll practices, beginning on the first regular payroll date following the "payment date" as defined in Paragraph 10 below. The Company's agreement to provide all of the Consideration is specifically contingent upon you executing this Agreement and not revoking the Agreement, as set forth in Paragraph 10 below. Except to the extent that applicable law requires that you be allowed to file a charge of discrimination with the EEOC or other administrative charge or complaint, you further hereby AGREE NOT TO FILE A LAWSUIT or other legal claim or charge to assert against any of the Releasees any claim released by this Agreement. It is agreed that this is a general release and it is to be broadly construed as a release of all claims, except those that cannot be released by law. By signing this Agreement, you acknowledge that you are doing so knowingly and voluntarily, that you understand that you may be releasing claims you may not know about, and that you are waiving all rights you may have had under any law that is intended to protect you from waiving unknown claims. You warrant that you have not filed any notices, claims, complaints, charges, or lawsuits of any kind whatsoever against the Company or any of the Releasees as of the date of execution of this Agreement.

6. You represent and warrant that you have returned to the Company and the

{}

Releasees all of their property (and that you have not and will not retain or provide to anyone else any copies, summaries, excerpts, portions or other representations thereof), including all keys, access cards, phones, computers, printers, and computer-related equipment, and all copies of all files and documents in your possession, custody and control, including without limitation any files or documents (whether in paper or electronic form) you have about the Company's practices, procedures, trade secrets, customer lists, price lists, product marketing, personnel, staffing, salaries and wages, and other things, files, or documents provided to you by the Company, created during your employment with the Company, or otherwise relating to or belonging to the Company.

This includes, but is not limited to, disparaging comments, social media posts, correspondence, or conversation with any and all persons, whether intended to be public or private. In response to inquiries from third parties, you and the Company shall confirm only that you separated from the Company on mutually acceptable terms. You agree that the Company also may confirm to third parties your dates of employment, title, and position(s).

8. Obligations regarding confidential information:

a. You agree that you will not violate the confidentiality agreement contained in the Company's employee handbook, except as may be provided below.

b. You agree that you will not, directly or indirectly, use, make available, sell, disclose or otherwise communicate to any person any confidential or proprietary information regarding the Company's and/or the Releasees' trade secrets (as defined by applicable law); financial plans and data; management planning information; business plans; operational methods; market studies; marketing plans or strategies; pricing information; product development techniques or plans; customer lists; customer files, data and financial information; details of customer contracts; current and anticipated customer requirements; identifying and other information pertaining to business referral sources; past, current and planned research and development; computer aided systems, software, strategies and programs; business acquisition plans; management organization and related information (including, without limitation, data and other information concerning the compensation and benefits paid to officers, directors, employees and management); personnel and compensation policies; new personnel acquisition plans; and other similar information. This obligation shall remain in effect for as long as the information or materials in question remain confidential or proprietary to the Company and/or the Releasees. to your spouse, and to your attorney, accountant or other professional advisor to whom you must make the disclosure in order for them to adequately provide professional services to you. You will instruct them, however, to maintain the confidentiality of this information just as you must.

d. Notwithstanding the foregoing obligations and restrictions regarding confidential information, nothing in this Agreement shall prohibit or restrict you from: (I) making any disclosure of information required by law, court order or subpoena (provided that you first provide the Company with prior notice of the contemplated disclosure and cooperate with the Company in seeking a protective order or other appropriate protection of such information); or (2) providing information to, cooperating or assisting with any investigation or proceeding brought by a federal, state or local law enforcement agency, regulatory or governmental body, or judicial authority.

9. You acknowledge that the provisions of Paragraphs 6 through 8 are of unique and substantial value to the Company, that damages to the Company and/or the Releasees for breach of Paragraphs 6 through 8 would be difficult to ascertain, and that in the event you breach any of the provisions of Paragraph 6 through 8, the Company shall have the right to immediately obtain an injunction or decree of specific performance from any court of competent jurisdiction to restrain you from violating such provisions or to compel you to perform such undertakings or agreements. If the Company must institute a proceeding to enforce this Agreement against you, the Company shall be entitled to recover from you its attorneys' fees and all other associated costs and expenses. If any violation occurs by you, and regardless of whether the Company obtains legal or equitable relief against you, you agree that you will remain subject to all of the terms of this Agreement.

10. The offer embodied in this Agreement shall remain open and capable of acceptance by you until {}, after which time the offer shall be revoked. You acknowledge that you have at least 45 calendar days from the date of this letter to accept the terms of this Agreement, although you may accept it at any time within those 45 days. You are advised to consult an attorney about the Agreement prior to executing it. To accept the Agreement, please date and sign this letter and return it to me such that I receive it on or before {}. After you sign this Agreement, you will still have an additional 7 days in which to revoke your acceptance. To revoke, you must notify me in writing delivered via hand delivery or certified mail, return receipt requested, and I must receive such written notification before the end of the 7-day revocation period. If you do not revoke, the twelfth business day after the date of your acceptance will be the "payment date" for purposes of Paragraph 3 above.

11. This Agreement shall not in any way be construed as an admission by the Company and/or the Releasees of wrongdoing or liability or that you have any rights against any of these persons.

12. The provisions of this Agreement shall be construed according to the laws of the

{
{

State of Louisiana without regard to its conflicts of law provisions.

13. With the exception of the release contained in Paragraph 5, the provisions of this Agreement are severable and if any part of it is found to be unenforceable the other paragraphs shall remain fully and validly enforceable. If the general release and covenant not to sue set forth in Paragraph 5 of this Agreement is found to be unenforceable, this Agreement shall be null and void and you will be required to return to the Company all Consideration already paid to you. The language of all valid parts of this Agreement shall in all cases be construed as a whole, according to fair meaning, and not strictly for or against any of the parties.

14. This Agreement expresses the entire agreement between the Company and you relating to your termination of employment and the matters contained in this Agreement. You agree that no one has made any representations or promises to induce you to enter into this Agreement, except as set forth herein. This Agreement may be amended only by a written document signed by both you and an authorized representative of the Company.

15. You acknowledge that your job with the Company is being eliminated as the result of a reduction-in-force, and that you have been provided with a notice (Attachment A to this Agreement), as required by the Older Workers Benefit Protection Act, 29 U.S.C. §626(f), that contains (i) a description of the decisional unit of which you were considered a part for purposes of the reduction in force; (ii) the job titles and ages of all individuals in such decisional unit selected for the reduction-in-force; and (iii) the ages of all individuals in such decisional unit who were not selected for inclusion in the reduction-in-force.

If you have any questions about this Agreement or about your departure from the Company in general, please address them directly to me. Annex 3

Stone Energy Corporation Key Executive Incentive Plan

STONE ENERGY CORPORATION KEY EXECUTIVE INCENTIVE PLAN

I. INTRODUCTION AND OVERVIEW

A. The Stone Energy Corporation Key Executive Incentive Plan (the “**KEIP**”) is a performance-based incentive program, the purpose of which is to motivate senior executives of Stone Energy Corporation (the “**Company**”) to make extraordinary efforts to achieve short-term target goals that are crucial to the successful reorganization of the Company and the discharge of the Company and its subsidiaries (the “**Debtors**”) cases under chapter 11 of the U.S. Bankruptcy Code.

B. Award Opportunities (as hereinafter defined) may be earned based on performance during the Debtor’s case under chapter 11 of the U.S. Bankruptcy Code and only upon the effective date of Debtors’ plan of reorganization (the “**Effective Date**”).

II. PARTICIPATION AND AWARD OPPORTUNITY

The employees of the Company set forth on Exhibit A (the “**Participants**”) shall be entitled to participate in the KEIP and shall have the threshold and target award opportunity (“**Award Opportunity**”) set forth opposite the Participant’s name on Exhibit A.

III. PAYMENT TERMS

A. Award Opportunities to the extent earned will normally be paid in two installments with (i) 50% paid as soon as practicable, but no later than seventy-five days following the Effective Date (the “**First Payment Date**”), and (ii) 50% paid on the 90th day following the Effective Date (the “**Second Payment Date**”).

B. Except as provided below, a Participant (i) must be employed by the Company on the Effective Date in order to be entitled to receive any payment under the KEIP, and (ii) must be employed on the Second Payment Date to receive payment of the second half of any Award Opportunity.

C. A Participant whose employment with the Company terminates as a Qualifying Termination (as defined below) shall remain entitled to payment under the KEIP for the full amount of any Award Opportunity earned based on satisfaction of the Performance Goals (as defined below). If a Participant experiences a Qualifying Termination, the Award Opportunity will be paid as follows: (i) for terminations prior to the First Payment Date, on the First Payment Date or if later the effective date of the Participant’s general release of claims against the Company (the “**Release**”), or (ii) for terminations after the First Payment Date, the effective date of the Release. The Release will be the same form as and subject to the same timing of delivery as the general release of claims that is required for the receipt of severance under the terms of the Company’s Executive Severance Plan. The Release must be delivered within 45 days of the Participant’s Qualifying Termination. The delivery of a release of claims under the Company’s Executive Severance Plan, will satisfy the requirements for the Release under the KEIP.

D. For purposes of this KEIP, a Participant will have a Qualifying Termination if the Participant's employment is terminated (i) by the Company without Cause (as defined in the Company's Executive Severance Plan), (ii) by the Participant following the Effective Date for Good Reason (as defined in the Company's Executive Severance Plan), or (iii) by reason of death.

IV. PERFORMANCE CRITERIA/GOALS

A. The performance criteria for the KEIP, and the weightings for each, are as follows:

Measure	Weighting
Average Monthly Production	40%
Average Monthly LOE	40%
SEC Factor	20%

B. The minimum, target and maximum goals for each of the foregoing performance criteria, are set forth on Exhibit B (the "**Performance Goals**"), attached hereto and incorporated herein by reference. Overall, Award Opportunities may be earned between threshold and target levels, with payout any one Performance Goal based on performance between threshold, target and maximum levels interpolated on a linear basis; provided, however, in no event will a Participant be entitled to payment in excess of his or her target Award Opportunity.

V. SETTLEMENT OF EARNED AWARD OPPORTUNITIES

A. The Compensation Committee shall make all determinations of achievement against the Performance Goals. As soon as practicable after the Effective Date, the Company will assess achievement against the Performance Goals, subject to the Compensation Committee's determination of the achievement against the Performance Goals and subject to the other terms of this KEIP, will pay the Award Opportunity earned, if any, as provided in Section III.

B. Earned Award Opportunities will be paid in cash in a lump sum, subject to applicable withholding and subject to any compensation recovery or "clawback" policy the Company may have in effect at the time of payment.

VI. ADMINISTRATION

A. The Compensation Committee will be responsible for Plan administration. All determinations of the Compensation Committee under the KEIP shall be vested in the exclusive, sole and absolute discretion of such committee, and the determinations of the Compensation Committee as to such matters shall be final and conclusive on all persons interested in the KEIP.

B. The KEIP will be effective upon approval by the Bankruptcy Court and once so approved the KEIP may be amended or terminated with respect to a Participant only with the consent of the Participant and subject to the approval of the Bankruptcy Court.

VII. MISCELLANEOUS PROVISIONS

A. A Participant's rights and interests pursuant to the KEIP may not be assigned or transferred except in the event of the Participant's death.

B. The Company shall deduct all required withholding for tax purposes from all payments made pursuant to the KEIP.

C. The administrative expense of the KEIP will be borne by the Company.

D. Neither the establishment of the KEIP nor the making of Award Opportunities hereunder nor any payment thereon shall be deemed to create a trust. No individual shall have any security or other interest in any of the assets of the Company or otherwise pursuant to or under this KEIP.

E. An individual shall be considered to be in the employment of the Company as long as he or she remains an officer and/or an employee of either the Company or any subsidiary. Nothing in the adoption of this KEIP nor the making of Award Opportunities hereunder shall confer on any individual the right to continued employment by the Company or a subsidiary or affect in any way the right of the Company or such subsidiary to terminate his or her employment at any time.

F. All provisions of the Plan shall be construed in accordance with the laws of Delaware, without regard to such state's conflicts of law provisions.

Annex 5

Amendment to Richard Toothman's Retention and Severance Letter Agreement.

December 13, 2016

Mr. Richard L. Toothman, Jr.
412 Sanctuary Cove
Morgantown, West Virginia 26508

Re: Amended and Restated Retention and Severance Benefits

Dear Rick:

This letter is intended to amend, restate and supersede that certain letter agreement dated as of August 10, 2016 (the “**Prior Agreement**”) between you and Stone Energy Corporation (the “**Company**”) regarding Retention and Severance Benefits (the “**Prior Agreement**”), and is being entered into in connection with the anticipated filing of a case of reorganization of the Company and its subsidiaries under chapter 11 of title 11 of the United States Code, 11. U.S.C. §§ 101-1532 (the “**Cases**”), on December 13, 2016, and pursuant to the terms of the Executive Claims Settlement Agreement (the “**Settlement Agreement**”) to which you are a party as an amendment of the Prior Agreement.

Effective Date

This letter agreement will be effective as provided in the Settlement Agreement. Upon this letter agreement becoming effective the terms of this Agreement shall replace the terms of the Prior Agreement and the Prior Agreement will no longer be in effect. Should the Settlement Agreement not become effective, the terms of your Prior Agreement will remain in effect.

Executive Severance Plan

You will be eligible to participate in the Company’s Executive Severance Plan (the “**Plan**”) upon its effectiveness as provided therein. Your continued coverage under the Plan is subject to all of the terms and conditions of the Plan. Capitalized terms used in this letter agreement and not defined herein shall have the meanings assigned to such terms under the Plan.

Appalachia Disposition

The purpose of this amended and restated letter agreement is to supplement the Plan and provide you with additional retention and severance benefits under the Plan in the event of an Appalachia Disposition. For purposes of this letter, an “**Appalachia Disposition**” means the sale or other disposition of all or substantially all of the Company’s oil and gas business in the

Appalachia regions of Pennsylvania and West Virginia as of the date hereof (the “**Appalachia Business**”): provided, however, that an Appalachia Disposition shall not include:

- (a) any such sale or other disposition immediately following which the Company, either directly or through one or more controlled entities, principally controls the Appalachia Business: or
- (b) any transaction that also constitutes a Change of Control (as defined in the Company’s Employee Change of Control Severance Plan).

For purposes of clause (a) of the preceding sentence, “**control**” means the power to exercise a controlling influence over the operations, management or policies of an entity or the Appalachia Business, as applicable. Without limiting the scope of the preceding sentence, if (i) the Company owns beneficially, either directly or through one or more controlled entities, 25% or more of the voting securities of an entity that owns or controls the Appalachia Business or (ii) the Company’s working interest ownership in oil and gas leases included in the Appalachia Business in the West Virginia Appalachia region, on an aggregate basis and not on an individual lease or unit basis, is equal to or greater than 25% of the total aggregate working interest ownership in oil and gas leases included in the Appalachia Business, then, in either case, the Company shall be presumed to control the Appalachia Business. The date of the closing of an Appalachia Disposition is referred to as the “**Transaction Date**.”

Enhanced Severance Upon a Qualifying Termination

If (a) an Appalachia Disposition occurs, and (b) you incur a Qualifying Termination (as defined below), then the lump sum cash severance benefit you will be eligible to receive under the Plan shall be increased to 2.0x your annual base salary.

For purposes of this letter agreement, the following terms shall have the meanings specified below:

- (a) “**Qualifying Termination**” means (I) any termination of your employment by the Company during the Qualifying Termination Period other than for Cause, provided, however, that if your employment with the Company is continuing from and after the Transaction Date, this subpart shall cease to have any application as of the earlier of (y) the last date of the Qualifying Termination Period and (z) the latest date for the giving of written notice to the Company of any “**Good Reason**” events (as provided herein below) without such requisite written notice having been timely submitted by you, and (II) any termination of your employment by you during the Qualifying Termination Period for Good Reason (as such term is defined in Section 1.1 of the Plan). In order for your termination of employment to be for “Good Reason,” you must first give written notice to the Company in writing of the Good Reason event within 30 days of the initial existence of the Good Reason event, and the Company shall then have 30 days from its receipt of such notice to remedy the event and, if the Company fails to timely remedy the event, then you may terminate your employment for Good Reason in the seven (7) day period following the Company’s failure to remedy the event. A termination of

employment by you for Good Reason shall be deemed to be within the Qualifying Termination Period if the initial existence of the Good Reason event occurs within the applicable Qualifying Termination Period. For the avoidance of doubt, the term “Qualifying Termination” shall not include: (A) a termination by the Company for Cause, or (B) any termination as a result of you declining to accept a Qualifying Offer. For these purposes, a “*Qualifying Offer*” means an offer of comparable employment with the purchaser of the Appalachian Assets made no later than 4 months following the Transaction Date, and having the following terms (x) at a base salary not less than your base salary on the date hereof, (y) for a position with substantially similar authorities, duties and responsibilities as you had with the Company in effect immediately prior to the Transaction Date, and (z) at a work location that is no more than fifty (50) miles from your primary work location on the date hereof.

- (b) “*Qualifying Termination Period*” means the period beginning on the Transaction Date and ending on the earlier of (1) the one-year anniversary of the Transaction Date or (ii) the date upon which a Change of Control occurs.

Miscellaneous

Notwithstanding anything to the contrary herein, but subject to the terms of the following sentence, the Committee, in its sole discretion, may terminate this letter agreement by giving prior written notice to you of such termination at least 12 months in advance of the effective date of such termination; provided, however, that (i) if an Appalachia Disposition occurs prior to the termination of this letter agreement, then this letter agreement shall remain in effect for 12 months following the Transaction Date. If a Change of Control occurs on or prior to the Transaction Date, then this letter agreement shall automatically terminate on the date upon which the Change of Control occurs, and the Company shall have no obligations under this letter agreement. Should you become entitled to benefits under the Plan prior to the Transaction Date, then your severance under the Plan shall be unaffected by this letter agreement.

You shall not have any right to pledge, hypothecate, anticipate or assign benefits or rights under this letter agreement, except by will or the laws of descent and distribution. This letter agreement shall be binding upon the Company and any successor to the Appalachia Business, by merger or otherwise, and shall inure to the benefit of and be enforceable by you, and references to Company in the context of payments and benefits to be provided following the Transaction Date will refer to such successor. In the event that a successor to the Appalachia Business does not assume or otherwise terminates this letter agreement prior to the termination date described above, all benefits payable to you hereunder will become immediately payable.

This letter agreement is intended to supersede all prior oral or written policies of the Company (other than the Plan and the Settlement Agreement) and all prior oral or written communications to you with respect to the subject matter hereof, and all such prior policies or communications (other than the Plan and the Settlement Agreement) are hereby null and void and of no further force and effect.

The Company or its successor may withhold from any amounts payable to you under this letter agreement such federal, state or local taxes as shall be required to be withheld pursuant to any applicable law or regulation.

This letter agreement shall be interpreted and construed in accordance with the laws of the State of Louisiana without regard to conflict of laws principles, except to the extent preempted by federal law.

By signing below, you agree that this letter agreement accurately reflects our mutual agreements with respect to the foregoing matters.

Sincerely,
